If you have further questions please e-mail info@EasyEntertainingRI.com or call our offices at (401) 437-6090.

FULLY SERVICED EVENTS

A fully serviced event with Easy Entertaining means that there are service staff, chefs and, in most cases, event managers on-site during your event. In the case of hosting a fully serviced event with us, our team will take care of certain set up and break down responsibilities, table settings, food styling, trash removal (where required, incurs additional fees) and most other details as they pertain to food and beverage service. A fully serviced event with Easy Entertaining is the least amount of work for you!

DROP & STYLE SERVICES

Sample Cocktail Style Set-up

A Drop & Style is a styled delivery of ready-to-eat menu items. This service incurs a surcharge* on top of your food and delivery costs. This surcharge includes the rental of our service ware for a fully styled food display, a white linen for your food table, disposable palm leaf plates, linen-like cutlery roll ups, and a printed and framed menu as well as labor for warming and set up.

*The Drop and Style surcharge is \$250 for events with less than 50 guests or \$5/guest for events with 51+ guests. Pick up and delivery charges are not included and will be added on based on location.

ADD-ON ATTENDANT SERVICES

In some cases, you may want a service team member on-site to tend to your food display. Our attendant services are perfect if you want to add a bit of formality to your Drop and Style. Attendants can help keep your food display tidy, serve food items, clear plates and break down your food display at the end of your event. They cannot, under any circumstances, cook food items, serve food items that have not been prepared by Easy Entertaining or service alcohol of any kind. Additionally, attendants are not able to set up or break down any tables for guest seating or any additional tables like welcome or gift tables. They are only responsible for food service.

Please note attendant services are only available with a Drop and Style delivery. They cannot be added on to standard delivery services or warm delivery services.

WARM PACKAGES FOR DELIVERY

Packages on our menus are available for warm delivery* to your home or event venue. In this case, we will warm any applicable menu items prior to delivery and transport them directly to you. These packages include disposable wire chaffing dishes to keep your food items at an appropriate temperature for consumption. Anything that's not required to be warm will be delivered cold.

*Package prices include disposable chaffing dishes, bio-degradable paper products and disposable cutlery. Delivery fees are not included in package pricing and will be added on based on location.

A LA CARTE PICK UP + DELIVERY

Easy Entertaining offers a variety of menu items available for delivery or pick up* at our headquarters in Providence.

These menu items are always delivered or picked up cold for clients to serve on their own accord. We do not offer hot pick up options but we are happy to provide reheating instructions for any menu items that may require reheating.

All items are served in our bio-degradable palm leaf boxes unless they require reheating. Items that require reheating will be served in disposable, oven-safe aluminum pans.

*Not all items that are available for delivery are necessarily available for pick up. Certain packages are not available for pick up. Pick up and delivery options require a \$200 order minimum. Inquire with your booking agent for more information. A la carte items include disposable serving utensils but do not include disposables for consumption (plates, napkins or cutlery).

CORPORATE DELIVERIES

Our corporate breakfast and lunch packages are available for delivery Monday - Friday for corporate functions only.

Cold or room temperature items are served in our biodegradable palm leaf boxes. Hot items are delivered warm and set up in disposable wire chaffing dishes to keep applicable menu items warm. Corporate packages include biodegradable paper products, disposable utensils, printed labels and the cost of the wire chaffing dishes.
